LINING LIST

The following list of stock is now well established in two inch pots and is ready for immediate shipment. Our desire is that it move at once to make room for our spring potting. No order for less than twenty-five of a variety accepted as the prices are low and are based on 100 rates.

Usual terms will apply—cash with order or trade references and time for investigation. All lining stock shipped by express is our unvarying rule. C. O. D. orders should be accompanied by half cash.

Our regular fall surplus list of finished stock will be out soon and will contain a goodly offering of standard ornamentals in considerable variety. Other offerings will be made from time to time.

Thanking you for past favors we are,
HOWELL NURSERIES
